

Directions to The Limes and Parking

**The Pavilion is a small studio in the garden of :
The Limes, 87 High Street, Standlake OX29 7RH.**

Directions to The Limes from Oxford

From Oxford take the A420 towards Swindon.

After about 9 miles, turn RIGHT at a large roundabout, signed A415 to STANDLAKE and Witney. We're about 4 miles from here.

Go up and over a hill, then slowly over 2 hump-back bridges at the Rose Revived pub (traffic lights).

Proceed for another mile or so (ignore a right turn to Northmoor) until you reach the sign for STANDLAKE.

Turn RIGHT into the village (just before a garage) at the 'Village Only' sign.

Our driveway is on your RIGHT, immediately before the Black Horse pub car park. Look for an overhead sign 'The Limes', and a colourful sign for '87 High Street' and hopefully you'll see a notice about the concert.

Parking at The Limes

*It would be helpful if you could park on the small, gravelled driveway at

LINDEN HOUSE, 93 High Street, immediately south of our driveway.

(We have permission to use their car park at weekends, and there should be a notice to that effect).

From the High Street, walk up the driveway, past 2 houses on your right.

Walk straight on, across the walled garden of the main house, and find the Pavilion behind a wall on your right.

**For the less mobile, there are a limited number of parking spaces in a new gravelled area nearer the Pavilion. Drive right up our driveway, turn right at the bend, and find the little car park on the gravel on the left. From there it's 30 metres across the (rather uneven) grass to the Pavilion.*
